

QUALITY CONTROL PROCEDURES

Beynko Engineering and Refurbishment's quality policy is to achieve sustained, profitable growth by providing services which consistently satisfy the needs and expectations of our customers.

This level of quality is achieved through adoption of a system of procedures that reflect the competence of the Company to existing customers, potential customers and independent auditing authorities.

Achievement of this policy involves all employees, who is individually responsible for the quality of their work, resulting in a continually improving working environment for all.

This policy is provided and explained to each employee.

To achieve and maintain the required level of assurance the Management retains responsibility for the Quality System within routine operations controlled by the Quality Controller.

Quality Assurance System:

- Maintain an effective Quality Control Procedure complying with all standards and requirements set out by our clients, OEM Suppliers and applicable available standards.
- Achieve and maintain a level of quality which enhances the Company's reputation.
- Ensure compliance with relevant statutory requirements.
- Endeavor at all times to maximize customer satisfaction with the services provided by our company.

Re: DEPAC & TAMAR	From: Alfus Swanepoel

This letter serves as proof that Breyko Engineering Reg Nr. 2014/150009/07, is an authorised repair and fitment facility/distribution agent in partnership with FACTOR (Pty) Ltd.

This includes: All DEPAC PRODUCTS & TAMAR SEALING TECH.

- ✓ DEPAC Mechanical Seal
- ✓ DEPAC Gland Packing
- ✓ DEPAC Chemical Products
- ✓ DEPAC Controls
- ✓ TAMAR Sealing Tech

To ensure that we keep our service levels coupled with high quality products to our customers they will enjoy the following:

- Technical training on all products
- Onsite training for end user personnel
- Technical sales assistance
- Literature on all products
- Access to country wide stock holding
- Shared best practices
- All repairs are carried out with OEM parts to comply with risk assessment protocols

FACTOR is the sole importer and brand owners of the DEPAC and TAMAR product in South Africa. Local area representation through our branch and sister companies support network ensures that supply is as close as possible to the end user base.

BEYNKO

1 June 2023

Tel: 083 659 4238
Email: martin@beynkortb.co.za
Attention: Mr. Martin Beyers

To whom it may concern,

This letter serves to confirm BEYNKO as a recognised reseller and not the SOLE Agent of HCP PUMPS SA (PTY) LTD and its range of HCP SUBMERSIBLE PUMPS in the NORTHWEST area of SOUTH AFRICA.

HCP PUMPS SA (PTY) LTD will offer the OEM service and repair back-up at our facilities in SEBENZA, EDENVALE, GAUTENG.

The confidence shown in our company and its product range is greatly appreciated and we look forward to a long and prosperous business relationship.

This appointment is based on your performance and HCP PUMPS SA (PTY) LTD reserves the right to terminate this agreement should your performance/conduct compromise the product.

Yours faithfully,

Gerhard Swart
